**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is imperative that we allow the broadband to continue to exist and allow healthy competition for the larger companies. The support we receive from our local provider passes anything that the larger companies can offer. In fact they don't even offer internet service where we live.

Internet is important for me for my work and my children for their school.

Thank you for your help and consideration to our needs as consumers.
